CAREER INTERNSHIP ABROAD

www.internshipabroad.net • www.istudyaustralia.com

Where the world is your training ground.

Career Internship Abroad creates international internship opportunities for students, graduates, and young professionals. CIA advocates empowering young Filipinos through exchange programs that aim to honing young Filipinos' professional and personal development towards acquiring a career edge and global competitiveness.

Our Work and Study Program

provides students the extraordinary opportunity of paid training experience in top international companies while studying in Australia and Canada.
